Prime Minister of Montenegro  
Office of the Prime Minister  
Karađorđeva bb, 81000 Podgorica, Crna Gora, MONTENEGRO  
[kabinet@gov.me](mailto:kabinet@gov.me)

Dear Prime Minister Abazović,

Thank you for your letter of 25 May 2023 recognizing our cooperation during the period since signing our Agreement on Lobbying Services signed in Podgorica on 13 December 2022. We acknowledge your use of the Exit Clause which ends our cooperation on 31 May 2023.

It has been a pleasure and privilege to serve you and your Government in the past period in the United States. You have successfully communicated your vision for Montenegro to members of the United States Administration, Congress, the Academic community, and the American people. We are proud of our efforts in assisting Montenegro to strengthen relations with the United States and are at your disposal to resume our cooperation at any time.

As a NATO member, Montenegro is on the path to join the European Union. An expanded and strong Europe will benefit the entire Western Balkan region. The United States has a very important role to play in helping stabilize Montenegro and the region, minimize the influence of both China and Russia, and help you continue your fight against corruption and criminal activity.

The upcoming Parliamentary elections are critical to the future of Montenegro and a testament to the vibrancy of the country's democracy.

Sincerely,

Mitchell Barak, CEO
