

INN@GLOBO

Name

1st Call of the INNOGLOBO programme

For whom?

International consortia comprising Polish entities and at least one foreign Partner;

The Polish entities:

- 1) research organisations,
- 2) enterprises,
- 3) consortia of 1) and/or 2) in all configurations.

the Foreign Partner(s):

- o no limitations as to its legal form;
- o may originate from all the countries with which Poland maintains diplomatic ties (except China, Israel, Luxembourg, Germany and Turkey, with which NCBR regularly launches bilateral calls for R&D projects).

Thematic scope
of the project

Shall fit into the current list of Polish National Smart Specialization.

Deadline for
submission

30 November 2021

The Call budget

PLN 10 million

Budget of the
international
project

NOTE: **NCBR may provide funding** for project implementation **only to Polish entities** for industrial research and/or development work!

Each Foreign Partner willing to participate in project implementation within the international consortium is required to secure funding for the implementation of their respective portions of the project!

- The total funding in the project contributed by all the Foreign Partners forming the international consortium – **between 30% and 70%** of the overall budget allocated by the international consortium for the project.
- The total participation of Polish entities in the eligible costs of the project – between 30% and 70% of the overall budget allocated by the international consortium for the project, additionally:
 - o Minimum amount of funding for the project - PLN 400,000;
 - o Maximum amount of funding for the project - PLN 1.5 million.

The international
consortium
agreement

- **Partnership Agreement** for the project implementation between all the partners in international consortium is **mandatory**;
- Should be concluded before submitting the project funding application to NCBR;
- Needs to be concluded in writing or electronically (with qualified electronic signatures by all parties to the agreement).

Project duration

from **24** to **36 months**

Other important
information

- The Foreign Partners are obliged to submit a **bilingual declaration** (Polish and English) that they have **secured funding for project implementation**.
- The declaration indicates directly the source of Partner's founding and lists the tasks planned to be performed by the Partner within the project.
- The declaration above should be submitted in writing or electronically, with a qualified electronic signature of the Foreign Partner concerned.

**How to submit
the proposal?**

- using the ePUAP platform: /NCBiR/SkrytkaESP;
 - by email to: **innoglobo_aplikacje@ncbr.gov.pl**
- in electronic format with a qualified electronic signature, or as a hand-signed scanned copy of the application.
