Project: Preliminary Design and Environmental and Social Impact Assessment
(ESIA) for the Podgorica Bypass

Subject: ESIA - Presentation of the Scoping Report

Date: February 04, 2022

Dear Sirs,

We take this opportunity to address you on behalf of the IPF5 technical assistance program implementing the project: Preliminary Design and Environmental and Social Impact Assessment (ESIA) for the Podgorica Bypass (Smokovac-Tološi-Farmac) of the Bar-Boljare highway (SEETO road route 4), project code: WB17-MNE-TRA-01.

IPF5 technical assistance is implemented under the Infrastructure Projects Facility (IPF) program which is part of the Western Balkans Investment Framework (WBIF) which is a platform of the European Commission, bilateral donors and international financial institutions for financing and implementation of priority infrastructure projects in the Western Balkans.

The project WB17-MNE-TRA-03 has been implemented since 2019 for the needs of the Ministry of Capital Investments, with the objective of preparing the Preliminary Design for the section Smokovac-Farmac, ie. Podgorica Bypass, as part of the Bar-Boljare highway.

The subject of the project also includes the preparation of the Environmental and Social Impact Assessment (ESIA) according to EU standards and requirements of the European Bank for Reconstruction and Development (EBRD), which is the leading international financial institution for project support. As part of its activities so far, the Project Team has prepared a Scoping Report in accordance with the EBRD Environmental and Social Policy 2014.

We hereby invite you to a meeting to be held on **Thursday, February 17, 2022 at 10:00 AM through the Zoom Platform**. The subject of the meeting is the presentation of the Scoping Report, and

attached to this e-mail we also submit the Meeting Agenda, the ESIA Scoping Report Summary and the presentation to be used at the meeting. Please use the following link to access the meeting:
