TERMS OF REFERENCE

A. Job Title: Project Administrative/Finance Assistant

Type of position: National, full time
Duty Station: Podgorica, Montenegro

D. Contract Type: Consultant

E. Contract Duration: 12 months, with possibility of extension

 Background of the project "Biodiversity Mainstreaming into Sectoral Policies and Practices and Strengthened Protection of Biodiversity Hot – Spots in Montenegro"

The project is geographically focused on the Key Biodiversity Areas (KBAs) of Montenegro and includes various types of intervention and involves both ecosystem protection and work with production sectors, such as tourism, agriculture and forestry. The Component 1 of the proposed project deals with the management constraints associated with the Protected Areas estate and unprotected biodiversity hot – spots. The project will provide for the improved management of the pilot protected areas in order to ensure compliance with the international requirements for protection of valuable biodiversity within KBAs and other international biodiversity hot – spots. Through spatial planning instruments, the project will promote concrete solutions for valuable and threatened biodiversity conservation outside protected areas.

The Component 2 targets the productive landscapes outside protected areas and in the vicinity of KBAs, where the project will address the sectoral threats to biodiversity via mainstreaming of biodiversity – friendly practices and adjust the sectoral development scenarios for tourism, agriculture and forestry to take into account the potential impact on biodiversity.

The project will offer assistance to Government in biodiversity – friendly planning for the post – COVID planning for recovery of the tourism sector, will help developing best – practice standards for sustainable tourism and nature – based biodiversity – friendly tourism, and support the small – scale tourism business development towards the more offerings of biodiversity – sensitive nature – based tourism products.

For the forestry sector the project will offer best – practice standards for mainstreaming biodiversity – friendly forestry practices, will assist the Government with support and services for private forest owners, and help promote biodiversity – positive entrepreneurship in forestry.

For the biodiversity mainstreaming in agriculture, the project will support the Government with the introduction of agro – environmental incentives and piloting of agro – environmental measures.
