

“Basic information about the participation rules for partners in the 1st call of the “INNOGLOBO” programme

**NOTE: The information provided below is only a brief guide to the most essential aspects
of Foreign Partners’ participation in the projects selected for funding in the 1st
INNOGLOBO Call.**

**For all details about the terms of the call, see the document entitled “The rules of Polish
applicants’ participation in the 1st call of the “INNOGLOBO” programme (“the Rules”),
including appendices thereto.**

1. Participation in the call is open exclusively to international consortia comprising Polish entities and at least one foreign Partner.
2. There are no limitations as to the legal structure of the Foreign Partner(s) which form the international consortium implementing the project.
3. Foreign Partners implementing the project in an international consortium may originate from all the countries with which Poland maintains diplomatic relations¹, except for those with which the National Centre for Research and Development (“NCBR”) organises bilateral calls on a regular basis, i.e.: China, Israel, Luxembourg, Germany and Turkey.
4. NCBR may provide funding for project implementation only to entities which conduct business or research & development activities² on the territory of the Republic of Poland (as confirmed with an entry in the relevant register³).
5. The entities referred to in item 4 (“the Applicants”) may include only research organisations⁴, businesses or⁵ consortia of businesses⁶.

² Within the meaning of Article 2 (84, 85 or 86) of Commission Regulation 651/2014

³ Where registration is required under applicable law.

⁴ The entity referred to in Article 7 (1) (1, 2, 4, 5, 6, 6a, 6b, 8) of the Higher Education and Science Act, as an organisation engaging in research and knowledge dissemination, as referred to in Article 2 (83) of Commission Regulation (EU) 651/2014 of 17 June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty;

⁵ An enterprise within the meaning of Article 1 of Annex I of Commission Regulation (EU) 651/2014 of 17 June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty;

⁶ A group of entities within the meaning of Article 37 (1) (1a) of the Act of 30 April 2010 on the National Centre for Research and Development;

6. One of the conditions for projects to receive funding is that the Applicant enters into an international consortium agreement with the Foreign Partner(s) in cooperation with whom the project will be implemented.
7. The international consortium agreement should be concluded conditionally (meaning that it becomes effective on the condition that the project receives funding) before submitting the project funding application to NCBR, or on the day such funding is awarded at the latest.
8. The international consortium agreement needs to be concluded in writing or electronically (with qualified electronic signatures by all parties to the agreement).
9. Should the international consortium agreement be terminated (with the Applicant or all Foreign Partners withdrawing from the international consortium) before the date on which NCBR makes the decision to award funding for the project, the application assessment will not be continued, resulting in the NCBR Director's decision to discontinue the proceedings regarding such application.
10. The subjects raised in funding applications for projects must be in line with the current List of National Smart Specialisations.⁷
11. The projects which qualify for funding may take from 24 to 36 months.
12. Competition projects may comprise a maximum of 5 work packages performed by Polish entities.
13. Project funding must be provided exclusively for the Applicant to implement: industrial research⁸ and/or development⁹.
14. NCBR's budget for funding projects selected in the call is PLN 10 million.
15. The minimum amount of funding for work packages implemented by the Applicant within a single project is PLN 400,000.
16. The maximum amount of funding for work packages implemented by the Applicant within a single project is PLN 1.5 million.
17. The total funding contributed by all the Foreign Partners forming the international consortium which implements a given project should make up a minimum of 30% and a maximum of 70% of the overall budget allocated by the international consortium for this project.
18. Each Foreign Partner willing to participate in project implementation within the international consortium is required to secure funding for the implementation of their respective portions of the project, including to provide the Applicant, before the Applicant submits the funding application,

⁸ Research within the meaning of Article 2 (85) of Commission Regulation (EU) 651/2014 of 17 June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty;

⁹ Development work within the meaning of Article 2 of Annex I of Commission Regulation (EU) 651/2014 of 17 June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty;

- with a bilingual declaration (Polish and English) that they have secured funding for project implementation.
19. The contents of Foreign Partner's declaration (including appendices, if any¹⁰ in the form of a credit/loan approval, a funding declaration from an R&D financing agency, or an equivalent entity from the foreign country, etc.) should be consistent with the template provided in Appendix 5 to the Funding Application and valid as of the day on which the original is sent to NCBR.
 20. The declaration referred to in items 18 and 19 above should be submitted in writing or electronically, with a qualified electronic signature of the Foreign Partner concerned.
 21. The call for applications procedure comprises a single phase which starts on 1 July and ends on 30 November 2021.
 22. Applicants submit their funding applications to NCBR through the ePUAP platform¹¹ or by email to: innoglobo_aplikacje@ncbr.gov.pl in electronic format with a qualified electronic signature, or as a hand-signed scanned copy of the application¹².
 23. Application evaluation by NCBR includes the following stages:
 - 1) formal (preliminary) evaluation – to check application eligibility;
 - 2) expert evaluation – the scientific and technical evaluation of the project by Polish experts;
 - 3) compile a ranking list with applications recommended to receive funding; the list of recommended applications is available on NCBR's website.
 24. Based on the ranking list, NCBR's Director issues a decision under which NCBR awards funding for project implementation.
 25. Should each of the Foreign Partners forming the international consortium decide to withdraw from the project or forfeit their project funding security, the Director of NCBR may issue a decision to void the decision on the award of funding for project implementation.

Appendix referred to in the above notice:

1. Appendix 5 to the funding application – Declaration on secured project funding (to be made by each Foreign Partner forming the international consortium).

¹⁰ If the appendices to the Foreign Partner's declaration on secured funding for project implementation are written in a language other than Polish, they should be translated by a sworn translator and submitted in a bilingual format.

¹¹ ePUAP Electronic Application Box: /NCBiR/SkrytkaESP.

¹² If the application is sent as a hand-signed scanned copy, it will be necessary for the Applicant to provide NCBR with the original funding application, including appendices, along with the documents required to sign the funding agreement.
