

*Discover Opportunities
and Develop Ideas
for Future Projects!*

20 June 2018
Zürich, Switzerland

**International Event on Space
Opportunities in H2020**

International Event on Space Opportunities in H2020, 20 June 2018, ETH Zurich

The aim of the event is to inform on Space opportunities in Horizon 2020 and beyond and to provide first-hand information on the next H2020 Space Call. After the informative part a Matchmaking Session will take place to allow interested people to meet potential partners from Switzerland and abroad.

Why to participate:

- to learn about Space opportunities in H2020 and beyond
- to get to know the new Horizon 2020 Space work programme
- to get an idea of the next EU Framework Programme
- to get an overview on the Swiss space activities and its landscape
- to meet potential partners for the upcoming 2019-2020 space calls

Focus

- Earth Observation – Copernicus market uptake
- Copernicus evolution
- Space technologies, science and exploration
- Space business, entrepreneurship, outreach and education
- EGNSS market uptake
- Galileo evolution
- Secure and safe space environment

Target group:

- Companies
- Universities
- Research institutes
- other organisations

**Join this early opportunity to learn about
the H2020 Space Calls 2019-2020, meet inspired
people and develop ideas for future projects!**
