| Q1 | Since this project is related to the reform of state vocational schools, who can we address in order to find out about the current situation in these schools and to check what has been done so far regarding the reform?   |
| R1 | Bear in mind that in EU procurement procedures, such contacts are forbidden and only written communications are allowed. Clarifications on these matters (status of the reform of state vocational schools) will be addressed in the future tender dossier to be sent to the future shortlisted tenderers. |
| Q2 | Are there any plans to reform specific number of schools or every vocational school in Montenegro?   |
| R2 | Please see R1.   |
| Q3 | Did you have similar tenders related to education in Montenegro and who won?<br>If you are not able to answer these questions please could you let me know who should I write to in order to obtain the information from the experts in the field.   |
| R3 | Please see R1.   |
