

## **Informacija o žalbenom mehanizmu ma Projektu “Program unapre enja crnogorskog obrazovanja” koji se sprovodi u saradnji sa Evropskom Investicionom Bankom (EIB)**

Vlada Crne Gore je na sjednici od 31. oktobra 2019. godine, ovlastila ministra finansija Darka Radunovića da u ime Crne Gore potpiše Ugovor o kreditnom zaduženju kod Evropske Investicione Banke (EIB) za realizaciju projekta “Program unapre enja crnogorskog obrazovanja”. Predmetni kreditni aranžman u visini od 18 miliona eura, poslužiće za svrhu finansiranja prioritetnih projekata u oblasti obrazovanja u narednom petogodišnjem periodu, koji su predviđeni kroz predmetni projekat, a ija je ukupna procijenjena vrijednost oko 40 miliona eura.

Riječ je o projektu koji podrazumijeva finansiranje projekata koji su uvršteni u Kapitalni budžet i to: nove Gimnazije u Podgorici, nove Osnovne Škole u naselju City kvart u Podgorici, novih osnovnih škola u naseljima Zabjelo i Krabuško polje, nadogradnje sa rekonstrukcijama vrtića u naseljima Momići i Zabjelo, te nadogradnje sa rekonstrukcijom vrtića u Kotoru.

Osim gore navedenih projekata infrastrukture, kao posebni dijelovi Projekta “Program unapre enja crnogorskog obrazovanja” uvršteni su u projekat i rekonstrukcija 10 srednjih stručnih škola, kao i nabavka različitih opreme za sve škole u Crnoj Gori, nabavka namještaja za sve škole u Crnoj Gori, kao i nabavka specifične opreme za praktičnu nastavu u Srednjim Stručnim Školama u Crnoj Gori, za koje će sredstva biti prepoznata kroz Tekuće budžete Ministarstva prosvjete, u godinama u kojima se implementira projekat.

Predmetnim ugovorom o kreditnom aranžmanu predviđeno je da se procesi nabavki za sve dijelove projekta u kojem će se za sufinansiranje koristiti sredstva obezbjeđena od strane EIB-a, primjenjuju pravila nabavke banke, koja su usaglašena sa svim direktivama Evropske Unije za oblast javnih nabavki. Predmetna pravila podrazumijevaju primjenu formulara i postulata drugih multilateralnih finansijskih institucija kao što su Svjetska banka, Evropska Banka Za Obnovu i Razvoj, KFW Banke i druge, prilagođeni u određenim dijelovima posebnim postulatima Evropske Investicione Banke, sa ciljem dodatnog povećanja transparentnosti i konkurentnosti.

U toku dogovora predmetnog projekta evidentirana je potreba za uspostavljanje ad hoc žalbenog mehanizma na ovom projektu. Naime kako po Zakonu o javnim nabavkama Državna Komisija za postupke javnih nabavki nije nadležna za odlučivanje po žalbama u postupcima javnih nabavki koji se sprovode po posebnim postupcima međunarodnih organizacija, na osnovu međunarodnih sporazuma ili ugovora sa tom međunarodnom organizacijom (lan 1 stav 1 Zakona o javnim nabavkama) za šta smo dobili Mišljenje Ministarstva finansija br. 15-7118 od 14 maja 2019. godine.

Nadalje specifičnost ovog projekta se ogleda u budžetiranju istog. Naime kako je dio projekta budžetiran u Kapitalnom bužetu, dok je dio budžetiran u Tekućem budžetu Ministarstva prosvjete, kao ugovorna tijela, tj. naručoci se pojavljuju kako Ministarstvo prosvjete, tako i Uprava javnih radova koja je zadužena za ugovaranje i realizaciju

projekata koji su evidentirani kroz Kapitalni budžet, pa se na ovom projektu ne može primijeniti model koji se primjenjuje na drugim slijednim projektima sa međunarodnim kreditorima, kada se žalbena tijela formiraju kod krajnjeg korisnika, dok je druga državna institucija isključivo naručilac u svim postupcima nabavki na projektima.

Predmetno žalbeno tijelo po instrukcijama EIB-a, mora biti sastavljeno od kompetentnih stručnjaka iz ove oblasti, te mora biti u potpunosti nezavisno od oba naručioca na ovom projektu. Na osnovu svega navedenog u toku pregovora kao logi no rješenje se nametnulo da Vlada Crne Gore imenuje tijelo koje će po svakom pitanju biti nezavisno, kako od naručilaca, tako i od potencijalnih ponuđača, te u svojim sastavu će uključiti pojedinci stručnjici u oblasti nabavki.

Nadalje kako je Ugovorom sa Evropskom investicionom bankom predviđeno da osim kreditnih sredstava EIB obezbijedi i bespovratna grant sredstva u iznosu do 2.2 miliona eura, za tehničku podršku za realizaciju projekta, potrebno je da ugovorna institucije, tj. naručiocima potpišu odvojene ugovore o tehničkoj saradnji sa EIB-om.

Naime predmetnim ugovorom predviđena su prava i obaveze kako ugovornih tijela na ovom projektu i to Ministarstva prosvjete i Uprave javnih radova sa Evropskom investicionom bankom sa jedne strane, kao i prava i obaveze ugovornih tijela sa konsultantom, tj. kompanijom koju nakon sprovedene tenderske procedure od strane Evropske Investicione Banke, bude odabran za pružanje tehničke podrške na implementaciji ovih projekata.

U skladu sa navedenim predlažemo Vladi Crne Gore da donese sljedeće

**LAN 1**

- 1.1. U skladu s odredbama ovog Sporazuma, EIB osigurava da e Usluge biti isporu ene Promoteru.
- 1.2. Usluge su dostupne Promoteru u vezi s finansiranjem koje je EIB odobrio Crnoj Gori za implementaciju Projekta, a na osnovu Ugovora o finansiranju zaklju enog 6. novembra 2019. godine (u daljem tekstu „Ugovor o finansiranju“), kako je podrobniye opisan u Aneksu 1. EIB stoga zadržava pravo da, prema vlastitom naho enju i bez ikakve odgovornosti za EIB, naloži Konsultantu (u skladu s definicijom iz lana 2.1) da prekine izvršavanje Usluga, ukoliko se finansiranje EIB-a povu e ili otkaže iz bilo kog razloga.
- 1.3. Strane su se usaglasile da isporuka Usluga ne e zapo eti ukoliko i dok ovaj Sporazum ne bude propisno potpisani, valjan i pravosnažan u skladu s njegovim odredbama.

## LAN 2

- 2.1. Kako bi osigurala isporuku Usluga Promoteru, EIB će, u skladu sa svojim politikama, pravilima, i procedurama sprovesti proces nabavke Usluga, i dodijeliti odgovarajući Ugovor o uslugama (u daljem tekstu: „Ugovor“), te upravljati Ugovorom i vršiti isplate dobavljačima usluga kojima je povjereno da isporučuje Usluge ili bilo koji dio Usluga prema takvom Ugovoru (u daljem tekstu: „Konsultant“).
- 2.2. U tom smislu, Strane su saglasne da finansiranje koje EIB osigurava za pružanje Usluga u okviru Finansijskog dokumenta isključivo pokriva troškove Usluga, bez bilo kakvih indirektnih poreza, uključujući i, kako bi se izbjegle nedoumice, porez na dodatu vrijednost, porez po odbitku, porez na promet, uvozne carine ili bilo koji drugi porez slične prirode (u daljem tekstu "Porezi") koji se može platiti u Crnoj Gori. Promoter ili Uprava snose troškove takvih poreza, ako ih ima, bez korištenja EIB-a ili finansiranja koje EIB osigurava za Usluge u skladu s Finansijskim dokumentom.
- 2.3. Nijedan ugovor zaključen između EIB-a i Konsultanta ne smije stvoriti, ili se tumačiti tako da stvara bilo kakav ugovorni odnos između Promotera ili Uprave i bilo kojeg takvog Konsultanta. Promoter i Uprava priznaju i saglasni su da neće biti Strana Ugovora, te ni Promoter ni Uprava nemaju pravo direktno izvršavati bilo koju odredbu Ugovora.
- 2.4. Konsultant nije i ne može se smatrati zastupnikom EIB-a, već isključivo kao nezavisni ugovarač. EIB ne daje nikakve izjave ni jamstva, te ne preuzima nikakvu odgovornost pred Promoterom i Upravom, posebno za kvalitet, pravovremenu ili adekvatnost Usluga koje pruža Konsultant; Promoter i Uprava su jedini odgovorni za odluku da li da prihvate i implementiraju bilo koji predlog, preporuku ili rješenje koje pruži Konsultant kao dio Usluga, kao i za vlastite procjene prikladnosti Usluga za upotrebu koju su im namijenili.
- 2.5. Ne dovode i u pitanje prethodne odredbe Iana 2, u svrhu osiguranja usklađenosti interesa između Strana u pogledu pružanja Usluga, Promoter i Uprava će pravovremeno sarađivati s EIB-om u osmišljavanju Opisa poslova koji će EIB koristiti u tenderskoj dokumentaciji za nabavku Usluga, zatim u nadgledanju i nadzoru pružanja Usluga od strane Konsultanta, te će u svim drugim okolnostima osigurati brzo donošenje odluka i povratne informacije EIB-u i Konsultantu, u skladu s potrebnom ispravnog vršenja Usluga. Postupci i procedure koje regulišu takvu saradnju detaljno su opisani u Aneksu 2.
- 2.6. U skladu s gore navedenim, Strane se slažu da će Promoter djelovati kao glavni partner EIB-a za potrebe ovog Sporazuma i da EIB, osim ako nije izričito navedeno drugačije, može podrazumijevati da bilo koje obavještenje, odobrenje ili drugi vid komunikacije koju Promoter uputi EIB-u, prema ovom Sporazumu i u odnosu na Usluge, predstavlja stavove Promotera i svih ostalih strana koji imaju koristi od Usluga, u skladu s definicijom tih strana u Aneksu 1.
- 2.7. EIB je dužan da na adekvatan način razmotri stavove i mišljenja koje Promoter uputi u vezi s vršenjem Usluga. Međutim, uzimajući u obzir EIB-ovu ulogu i specifične odgovornosti, kao naručitelja i ugovarača Usluga, Promoter i Uprava priznaju i saglasni su da će sprovećenje i bilo koja odluka koja se odnosi na postupak nabavke za odabir Konsultanta, uključujući i odluku da li će Ugovor dodijeliti, te bilo koje druge odluke koje se odnose na administraciju i upravljanje Ugovorom, uključujući i, ali bez ograničenja, i to da li se (i) mijenja opseg Usluga obuhvaćenih Ugovorom; (ii) prihvataju Usluge pružene od strane Konsultanta kao isporučene u skladu s odredbama Ugovora, ili (iii) vrše bilo kakva plananja Konsultantu, spada u cijelosti u nadležnost EIB-a.

Konsultanta zaključivanje posebnog sporazuma o povjerljivosti s Promoterom ili Upravom, ukoliko je primjenjivo, a koji se uslovi (i) moraju unaprijed dogovoriti s EIB-om, i (ii) koji ne dovode u pitanje bilo kakve obaveze izvještavanja ili dijeljenje podataka Konsultanta prema EIB-u, u skladu s Ugovorom ili važe im zakonima.

- 2.9. Obje Strane će preuzeti potrebne mjere kako bi bili u skladu sa zahtjevima vidljivosti koji su opisani u Aneksu 1.

- 2.11. S izuzetkom prava intelektualne svojine nad isporučenim rezultatima ili drugim proizvodima Konsultanta, a koje Promoter izričito odabiće prihvatiti, EIB ovim daje Promoteru i Upravi neekskluzivnu licencu bez plaćanja tantižema, na neodređeno vrijeme, za korištenje u bilo kojoj svrhi prava intelektualne svojine ste ena od strane EIB-a u skladu s članom 2.9.

## **ANEKS 2 –PROCEDURE SARADNJE U PROJEKTOVANJU I NADZORU DOSTAVE USLUGA**

Ovaj aneks pruža smjernice u skladu sa kojima se ugovorne strane slažu da rade na dizajniranju, nabavci, nadgledanju i odobravanju usluga.

### **1. Opšti principi saradnje**

U skladu sa članom 2.5 Sporazuma, Promoter će olakšati komunikaciju i saradnju između nadležnih organa u Crnoj Gori, koliko je to potrebno za uspješno planiranje i isporuku Usluga.

Radi koordinacije projekta, tehnički konsenzusa i pravila napretka, biće formiran upravljački odbor projekta koji će inicijalno predstavnici svih zainteresovanih strana, pored predstavnika Promotera i EIB-e. Glavna uloga ovog odbora je da Konsultantu pruži sve dostupne relevantne podatke različitim zainteresovanim stranama, pravilo napretka zadatka, vođenje i olakšavanje zadatka kako bi se Konsultantu omogućilo uspješno pružanje usluga u dogovorenem vremenskom rasporedu.

#### **1.1. Kreiranje i nabavka usluga**

Strane će sarađivati u dizajniranju projektnog zadatka za Usluge, postavljajući ciljeve, obim i metode pružanja usluga. U mjeri u kojoj će usluge biti isporučene na osnovu zasebnih Ugovora, strane će morati da pripreme i dogovore zasebne skupove tehničkih specifikacija. Takve tehničke specifikacije postaju dio Projektnog zadatka koji će EIB uključiti u dokumentaciju o nabavci koja će se koristiti za izbor Konsultanta.

Po završetku opisa projektnog zadatka, Promoter će putem e-maila na operativnom nivou pismeno prihvatići konceptualni obrazac Projektnog zadatka. Takvim prihvatanjem, Promoter će prihvatići da navedeni opis zadatka u potpunosti odražava i odgovara na prepoznate potrebe, te da ih Promoter bezrezervno prihvata. Takvo prihvatanje neće biti nerazumno uskraćeno i smatraće se datim, osim ako nije izričito odobren u roku od 10 kalendarskih dana od prijema pismenog zahtjeva u vezi sa tim od strane EIB-e.

Na osnovu opštег opisa poslova i zadataka razvijenih i dogovorenih kao što je prethodno opisano, EIB će raspisati tender i odabrati konsultanta za isporuku usluga u skladu sa svojim politikama, pravilima i procedurama nabavke. Promoter priznaje da će, kao naručilac za Ugovor, EIB možda morati da izmjeni ili protumači Projektne zadatke tokom postupka nabavke, pod uslovom da bilo koja takva izmjena ili tumačenje, kada se odnosi na obim, sadržaj, redoslijed ili trajanje Usluge, budu dogovorenai sa promotorom prije nego što ga EIB dostavi kandidatima ili ponuđima.

Da bi se izbjegao rizik nepoštovanja principa nabavke (transparentnost, proporcionalnost, jednak tretman, nediskriminacija i izbjegavanje sukoba interesa), Promoter i Uprava se obavezuju da neće otkriti, (i) do dodjele Ugovora od strane EIB-e, Opis poslova ili bilo koje dodatne informacije u vezi sa projektnim zadatkom, osim onim osobama koje moraju imati takve informacije za svrhe navedene u prethodnom stavu, i (ii) nakon dodjele Ugovora od strane EIB samo uz prethodno pismo odobrenje EIB-e i pod tako dogovorenim uslovima.

#### **1.2. Nabavka usluga**

Promoter ima pravo da imenuje predstavnika, kao posmatrača ili lana sa pravom glasom, u odboru za evaluaciju koju je osnovao EIB za izbor konsultanta. O ulozi predstavnika Promotera u takvim odborima za evaluaciju odlučuje EIB, u skladu sa svojim internim pravilima i procedurama, i on će blagovremeno biti dostavljen Promoteru. Promoter snosi sve troškove vezane za učešće svog predstavnika u navedenim odborima za evaluaciju.

U vezi sa pomenutim, postupci odbora za evaluaciju, od pokretanja tendera do zaključenja rada evaluacionog odbora, su poverljivi. Nijedan učesnik u odboru ne smije saopštiti niti jednu informaciju o ispitivanju, pojašnjenu ili ocenjivanju ponuda, kao ni bilo kakve odluke o dodjeli ugovora prije nego što EIB odobri izveštaj o procjeni. Svako otkrivanje takvih podataka nakon odobrenja EIB-ovog izveštaja vršiće sami EIB, u skladu sa svojim internim pravilima i procedurama ili uz prethodni pisani pristanak EIB-e. Pored toga, tenderska dokumentacija ostaje u prostorijama EIB-e u svakom trenutku.

Ako Promoter ne imenuje predstavnika u odboru za evaluaciju koji je osnovao EIB za izbor konsultanta, EIB će obavijestiti Promotera o ishodu tenderskog postupka i im prihvati preporuku komisije za evaluaciju o dodjeli Ugovora.

## **2. Nadzor usluga**

Promoter, Uprava i EIB usko će sarađivati u nadzoru pružanja usluga od strane konsultanta.

Promoter će pregledati rezultate i izvještaje o aktivnostima (ako se i onako kako se zahtjeva u Projektnom zadatku) koje je podnio Konsultant i e-mailom će dostaviti EIB u pisanoj formi komentare ili potvrdu o prihvatanju takvih rezultata ili izvještaja, uključujući i kada je potrebno razloge za odbijanje takve potvrde. Promoterovo prihvatanje relevantnih rezultata ili izvještaja smatraće se datim osim ako nije izričito odbijen u roku od 15 kalendarskih dana od prijema pismenog zahtjeva EIB-e u vezi sa tim.

Kao što je navedeno u članu 2.6 Sporazuma, EIB će uzeti u obzir mišljenje Promotera u donošenju odluke o odobrenju rezultata i izvještaja koje je dao Konsultant, u odnosu na uslove Ugovora. Uzimajući u obzir ugovorne obaveze EIB-e prema Konsultantu na osnovu Ugovora, Promoter priznaje da konačna odluka o odobrenju rezultata i izvještaja koje je Konsultant dostavio, buduće da su dostavljeni u skladu sa Ugovorom, je na EIB-i.

Imajući u vidu odredbe člana 2.4 Sporazuma, odobrenje Usluga (ili bilo kojeg njihovog dijela, uključujući i bilo koji izveštaj o rezultatima ili aktivnostima) od strane EIB-e kao isporučene u skladu sa uslovima ugovora neće dovoditi u pitanje pravo Promotera da odbije takve rezultate ako oni ne odgovaraju njegovim specifičnim potrebama. Takvo odbijanje promter mora dostaviti EIB-u u pisanoj formi, navodeći razloge takvog odbijanja. Zatim, Promoter se obavezuje da neće koristiti takve rezultate, i da će na pisani zahtjev EIB-e vratiti ili uništiti bilo kakve kopije, u bilo kojem obliku koji su u njegovom vlasništvu i da će osigurati da budu uništene sve kopije rezultata koje mogu biti u vlasništvu drugih lica.

Zarad pojašnjenja, odluka EIB-a da prihvati, u skladu s članom 2.6 (ii), da usluge isporučene od strane Konsultanta kao isporučene u skladu s odredbama Ugovora, nije i neće tumačiti kao zamjena ili ponistavanje odbijanja istih Usluga od strane Promotera, kao one koje ne odgovaraju na Promoterove potrebe ili nijesu prikladne za svrhu koju Promoter namjerava izvršiti, kao procjene usluga i od strane EIB-a i od strane promotera koje su sa injene prema različitim kriterijima.

Ukoliko to zahtjeva EIB, Promoter će pregledati redoslijed bilježenja dana ili sati angažmana eksperata Konsultanta u Crnoj Gori, i potvrditi njegovu tačnost tako što će ih potpisati. Promoter ima pravo da odbije prihvatanje tabele aktivnosti koju je podnio jedan ili više eksperata zaposlenih od strane Konsultanta za isporuku Usluga, ako ta tabela ne odražava ispravno dane ili sate tokom kojih je taj eksperat bio angažovan na isporuci usluga, ili ako, prema obrazloženom mišljenju Promotera, kvalitet usluga eksperta ne odgovara zahtjevima Projektnog zadatka ili, ako je to primjenljivo, profesionalnim standardima koji se u relevantnoj industriji očekuju od eksperta dobavljača takvih usluga.

Promoter će dostaviti EIB-u svoju odluku o prihvatanju bilo koje tabele aktivnosti, uključujući i po potrebi i razloge za odbijanje takvog prihvatanja. Promoterovo prihvatanje relevantnog rasporeda aktivnosti smatraće se datim ako nije izričito odbijeno u roku od 15 kalendarskih dana od prijema zahtjeva EIB-e u vezi s tim.

## **3. Izmjene i dopune Usluga i izmjene u timu Konsultanta**

Promoter može da zahtjeva izmjene i dopune u kreiranju Usluga u toku izvršenja Ugovora. Takav zahtjev će biti dostavljen EIB-u, zajedno sa obrazloženjem za tražene amandmane, i to najmanje 30 kalendarskih dana prije predviđenog datuma primjene tih izmjena. EIB ima pravo da se usprotivi takvim amandmanima, posebno iz razloga koji se odnose na primjenljiva pravila nabavke i upravljanja ugovorima, pa će i obavijestiti Promotera o razlozima takvog odbijanja.

Promoter ima pravo na konsultacije i da pristane na bilo kakve znanje izmjene u kreiranju Usluga koje EIB ili Konsultant mogu predvidjeti tokom izvršenja Ugovora. Saglasnost Promotera sa bilo kakvom promjenom tog tipa smatraće se datom ako nije izričito odbijena u roku od 15 kalendarskih dana od prijema obaveštenja EIB-a o predloženim izmjenama. Ako je primjenljivo, Promoter će obavijestiti EIB o razlozima svog odbijanja.

Promoter ima pravo na konsultacije i da pristane na bilo kakve promjene u timu stručnjaka koje je Konsultant obezbijedio, kao što je definisano u opisu projektnog zadatka, a koje EIB ili Konsultant predviđaju tokom izvršenja Ugovora. Saglasnost Promotera za bilo kakvu promjenu tog tipa smatraće se datom ako nije izričito odbijena u roku od 15 kalendarskih dana od prijema obaveštenja Konsultanta

ili EIB-e o predloženim promjenama. Ako je primenljivo, Promoter će obavijestiti EIB-u o razlozima svog odbijanja.

U bilo koje vrijeme tokom izvršenja Ugovora, Promoter može zatražiti zamjenu jednog ili više eksperata koje obezbjeđuje Konsultant, u mjeri u kojoj je to opravdano iz razumnih razloga. Takav zahtjev mora biti dostavljen EIB-i zajedno sa opravdanjem za tražene promjene. EIB se može usprotiviti takvim izmjenama, posebno iz razloga koji se odnose na primjenljiva pravila nabavke i upravljanja ugovorima, te će obavijestiti Promotera o razlozima takvog odbijanja.

Kao ugovorna strana prema Konsultantu na osnovu Ugovora a uzimajući u obzir sve primjenljive odredbe Finansijskog dokumenta, EIB zadržava konačnu odluku o izvršenju bilo koje izmjene Ugovora.

In connection with the preceding, the Parties agree that the Promoter shall act as the main counterpart to the EIB for the purposes of this Agreement and that the EIB may, unless expressly stated otherwise, assume that any notice, approval or other communication provided by the Promoter to the EIB under this Agreement in relation to the Services represents the views of the Promoter and of any and all other entities benefitting from the Services, as such entities may be identified in Annex 1.

- 2.6. The EIB shall give due and proper consideration to the views and opinions communicated by the Promoter in respect of the Services. However having regard to its role and specific obligations as procuring and contracting entity for the Services, the Promoter and the Administration acknowledge and agree that the conduct of, and any decision related to, the procurement procedure for the selection of the Consultant, including the decision whether to award the Contract, and any decision in respect of the management and administration of the Contract, including, but not limited to, whether to (i) amend the scope of the Services covered by a Contract; (ii) accept the Services delivered by the Consultant as having been delivered in accordance with the terms of the Contract, or (iii) make any payments to the Consultant, rest entirely with the EIB.
- 2.7. In order to ensure a successful delivery of the Services, the Promoter and the Administration shall timely and in good faith cooperate with the Consultant, notably:
  - 2.7.1. supporting the Consultant, to the extent feasible and subject to the applicable laws and regulations on foreign labour in Montenegro, in obtaining the required visas and permits, including work and residence permits, for the Consultant's employees and their dependants, it being understood that neither the Promoter nor the Administration shall have

no obligation to cover the costs thereof, and that the responsibility for submitting a visa or permit application, with associated supporting documents, to the visa issuing authority of Montenegro rests solely with the Consultant;

- 2.7.2. providing the Consultant, without undue delay, with such information and documents at their disposal which may be relevant and necessary to the provision of the Services in accordance with the agreed terms of reference. In this respect, the Promoter and the Administration may require the Consultant to enter into a separate confidentiality agreement with the Promoter or the Administration, as applicable, the terms of which (i) must be agreed in advance with the EIB; and (ii) shall be without prejudice to any reporting or disclosure obligations of the Consultant towards the EIB in accordance with the Contract or the applicable law.

- 2.8. The Parties shall each take appropriate measures to comply with the visibility requirements described in Annex 1.

- 2.9. Subject to any pre-existing Intellectual Property Rights (as defined below) of any individual or legal entity including any of the Parties, which will remain with their original owner, the Intellectual Property Rights in new materials compiled or prepared by the Consultant in the performance of the Contract, including all reports and relevant data and information such as maps, diagrams, plans, databases, other documents and software, supporting records or material, shall become the property of the EIB.

For the purpose of this Agreement, "Intellectual Property Rights" mean any copyright and related rights, rights in designs, database rights, rights in computer software, domain names, trademarks, service marks, patents, trade names or any applications for any of the foregoing, rights in confidential information (including know-how and trade secrets) or similar rights or obligations, moral rights, in each case whether registered or unregistered and including all applications (or rights to apply) for, and renewals or extensions of, such rights and all similar or equivalent rights or forms of protection which may now or in the future subsist in any part of the world.

- 2.10. With the exception of Intellectual Property Rights in deliverables or other outputs produced by the Consultant, which the Promoter expressly refuses to accept, the EIB hereby grants to the Promoter and the Administration a non-exclusive, royalty-free, licence for an indefinite duration, to use for their purpose any Intellectual Property Rights the EIB obtains in accordance with Article 2.9.

The Promoter and the Administration may sub-license any Intellectual Property Rights covered by the license specified herein to a third party, subject to prior written consent of the EIB, which shall specify the terms and duration of such sub-license.

The license may be terminated by the EIB at any time, subject to a notice period of three months. The EIB shall not bear any responsibility with respect to possible consequences of such termination of any sub-licences possibly granted by the Promoter and the Administration to third parties.

### ARTICLE 3

- 3.1. The Promoter and the Administration acknowledge that in fulfilling their obligations under this Agreement, they shall have access to, and process, Personal Data (as defined in Article 3.4) relating to third party individuals, including the experts designated by the Consultant to deliver the Services.

In this respect, the Promoter and the Administration shall:

- 3.1.1. only process such Personal Data as reasonably necessary for the purposes of ascertaining the qualifications and ability of a proposed expert to deliver the Services for which he/she is proposed by the Consultant;

- 3.1.2. not disclose any Personal Data to any person except with the prior written consent of the EIB and it shall promptly inform the EIB in writing if it is obliged by law to disclose any Personal Data, providing all the necessary details;

- 3.1.3. grant to the data subjects of the Personal Data, on request, rights of access to, correction, erasure and deletion of, and objection to and restriction of processing of, their Personal

Data, equivalent to the rights available to them in respect of the same Personal Data as processed by the EIB under Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC (*OJ L 295, 21.11.2018, p.39*), as such rights are described in Annex 2;

- 3.1.4. at all times have in place appropriate technical and organisational security measures to protect the Personal Data against accidental or unlawful destruction, loss, alteration, unauthorised disclosure or access;

- 3.1.6. promptly give the EIB such information, and such access to the systems and staff used to process the Personal Data, as the EIB may reasonably request from time to time to verify its compliance with the provisions of this Article 3.1; and
- 3.1.7. promptly inform the EIB in writing, with full details, if it
  - (i) becomes aware of any Personal Data breach; or
  - (ii) receives any communication from
    - a. a data subject seeking to exercise a right under, or alleging breach of, the applicable personal data protection law; or
    - b. a supervisory authority or other competent data protection authorityin relation to the Personal Data; and give the EIB such information, co-operation and assistance as the EIB reasonably requests to enable it to address the legal or other consequences of that Personal Data breach or of the subject matter of that communication.

- 3.2. A data subject of Personal Data, as third party beneficiary, may enforce Articles 3.1.1 to 3.1.5 against the Promoter and the Administration. However, the data subject must first request the EIB to take appropriate action to enforce their rights against the Promoter or the Administration. If the EIB does not take such action within a reasonable period (which under normal circumstances would be one month), the data subject may then enforce their rights against the Promoter or the Administration directly.
- 3.3. The EIB shall take reasonable steps to ensure that the Personal Data are accurate and up-to-date when disclosed to the Promoter or the Administration, and shall ensure that the data subjects of the Personal Data are provided with the information necessary to ensure that the processing of their Personal Data by the Promoter and the Administration as permitted by Article 3.1 is fair, including informing them of:
  - (i) the disclosure of their personal data to the Promoter and the Administration;
  - (ii) the purposes for which their Personal Data is disclosed; and
  - (iii) their rights as referred to in Article 3.1.3, and whom to contact to exercise those rights; and providing them with such other information as is required by the applicable personal data protection laws.

4.4. The Promoter and the Administration undertakes to take within a reasonable timeframe appropriate measures in respect of any Relevant Person who becomes a Sanctioned Person or is the subject of a final judgement in connection with Prohibited Conduct perpetrated in the course of the exercise of their professional duties, in order to ensure that such Relevant Person is excluded from any of the Promoter's or the Administration's activities in relation to the Services.

4.5. The Promoter and the Administration shall inform the EIB without delay of:

  - (iv) set out the action to be taken with respect to such matters as specified in the preceding;
- 4.6. It is understood that the representations and undertakings in respect of Sanctions set out in Articles 4.2 to 4.5 are only sought and given to the extent that to do so is permissible pursuant to any applicable anti-boycott rule of the European Union, such as Regulation (EC) 2271/96 of 22 November 1996 protecting against the effects of the extra-territorial application of legislation adopted by a third country, and actions based thereon or resulting therefrom (*OJ L 309, 29.11.1996, p. 1*) as amended from time to time.
- 4.7. If the EIB carries out an evaluation of, or a monitoring mission for, the Services, the Promoter and the Administration agrees to provide to the representatives of the EIB, or persons authorised by the EIB, any document or information in the Promoter's possession which will assist with the mission.
- 4.8. The Promoter and the Administration must allow the EIB, the European Anti-Fraud Office (OLAF), and any third party authorised by any of the preceding,

The Promoter and the Administration agree to provide the designated staff or agents of the EIB, the European Anti-Fraud Office (OLAF), and of any third party authorised by any of the preceding, or ensure that they are provided, with all necessary access and assistance for the purposes specified in this Article 4.7. ## ARTICLE 6

- 6.1. This Agreement enters into force on the date it is signed by the last of the Parties, and remains valid for as long as any rights, obligations or liabilities arising out of its provisions remain outstanding, unless it is otherwise terminated in accordance with this Article 6.
- 6.2. Any amendments to this Agreement, including its Annexes, must be set out in writing and signed by the Parties.
- 6.3. The EIB may instruct the Consultant to suspend the delivery of all or part of the Services, and the Promoter or the Administration may request the EIB to do so, if circumstances (including *force majeure*, as such concept is defined under the applicable law) make it too difficult or dangerous to continue. If the Promoter or the Administration requests the EIB to suspend the delivery of the Services, it must provide the EIB without delay with all the necessary details and reasons for the request.
- 6.4. The EIB may also instruct the Consultant to suspend the provision of all or part of the Services
  - (i) when it considers necessary to examine if the implementation of the Contract has been affected by substantial errors, irregularities, or Prohibited Conduct; or
  - (ii) when it is instructed or requested to do so by the ERI TA Trust ("Donor"); or
  - (iii) if the Promoter or the Administration fails to comply with any substantial obligation incumbent on it under this Agreement or the applicable law, despite having received a 30 calendar days written notice from the EIB requesting the Promoter or the Administration to comply.

The Promoter or the Administration, as applicable must provide any information, clarification or document requested by the EIB in the context of the checks referred to in point (i) above within 30 calendar days of receipt of such written request. If such checks result in credible information that the implementation of the Contract has been affected by substantial errors, irregularities, or Prohibited Conduct imputable to the Promoter or the Administration, the EIB reserves the right to (i) instruct the Consultant to cease the delivery of the Services and (ii) terminate this Agreement with immediate effect, without any liability for the EIB.

- 6.5. The EIB reserves the right, without any liability for the EIB, to instruct the Consultant to cease the delivery of the Services and to terminate this Agreement without notice, and inform the other Parties of the terms of such termination, if:
- (i) for any reason whatsoever, the financing secured by the EIB for the Services under the Financing Document is withdrawn by the Donor, or
  - (ii) it becomes unlawful in any applicable jurisdiction, or it becomes or is likely to become contrary to any Sanctions, for the EIB to perform any of its obligations as contemplated in this Agreement.
- 6.6. The EIB may instruct the Consultant to cease the delivery of the Services and, after serving a 15 calendar days' written notice to the other Parties, terminate this Agreement without any liability for the EIB, if any of the following situations occurs:
- (a) the Framework Agreement is or is likely to be (i) repudiated by Montenegro or not binding on Montenegro in any respect; or (ii) not effective in accordance with its terms or is alleged by the Promoter or the Administration to be ineffective in accordance with its terms; or (iii) breached, in that any obligation assumed by Montenegro under the Framework Agreement ceases to be fulfilled as regards any Services made available by the EIB to any recipient in the territory of Montenegro;
  - (b) the EIB has suspended the delivery of all or part of the Services pursuant to Article 6.4 (iii), and such suspension lasts for more than 180 calendar days;
  - (c) a Change-of-Law Event occurs, where "Change-of-Law Event" means
    - (i) the enactment, promulgation, execution or ratification of or any change in or amendment to any law, rule or regulation (or in the application or official interpretation of any law, rule or regulation), or
    - (ii) the imposition of any Sanctions; or

## ARTICLE 7

- 7.1. A Party shall not be held in breach of any of its obligations under this Agreement if it is prevented or delayed in performing those obligations by *force majeure*.
- 7.2. The EIB shall not under any circumstances or for any reason whatsoever be held liable for any damage, loss or injury sustained by the Promoter or the Administration, or by the Promoter's or the Administration's staff or property arising out of, or in connection with, the delivery of the Services by the Consultant, including when such damage or injury is the result of any act or omission of the Consultant, or of the failure of the Consultant to provide the Services in accordance with the Contract, unless such losses, damages or injuries have resulted solely from the EIB's gross negligence, fraud or wilful misconduct in the execution of its obligations under this Agreement.

- 8.3. If no amicable agreement is reached within 60 calendar days from the date a Party notifies a Dispute to the other[s], all Disputes shall be submitted to the courts of the city of Luxembourg, which shall have exclusive jurisdiction to settle any such Dispute. The Parties agree that the courts of the city of Luxembourg are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- 8.4. Nothing in this Article 8 shall interfere with, override or otherwise erode the EIB's privileges and immunities as set out in the European Union treaties including, without limitation, the inviolability of its archives, and the EIB expressly reserved its rights in this regard.

## **ARTICLE 9**

- 9.1. No failure or delay by the EIB in exercising any of its rights under this Agreement or under the applicable law will be construed as a waiver of such right.
- 9.2. Nothing in this Agreement shall be deemed to be a waiver, express or implied, of the privileges, immunities and exemptions enjoyed by the EIB, its Governors, Directors, Alternates, officers, employees or experts performing missions for the EIB.
- 9.3. Neither the Promoter nor the Administration may assign or transfer any rights or obligations arising out of this Agreement without the prior written agreement of the EIB.
- 9.4. If any provision of this Agreement is held illegal or unenforceable in a judicial proceeding, such provision shall be severed and shall be inoperative, and provided that the fundamental terms and conditions of this Agreement remain legal and enforceable, the remainder of this Agreement shall remain operative and binding on the Parties.
- 9.5. With the exception specified in Article 3.2, this Agreement is made for the benefit of the Parties, and a person who is not a party has no right to enforce or to enjoy the benefit of any term of this Agreement.

References to third parties, and in particular to legal relationships entered into between the Parties and any of such third parties in the context of the Services, shall not give, and may not be construed as conferring, any right to such third parties to enforce, to enjoy the benefit of or to otherwise rely on any provision of this Agreement. The Parties expressly agree that such references are made solely for the purpose of providing an appropriate understanding of the management of the Services and that no provision of the Agreement shall confer, directly or indirectly, any right to any third party, unless expressly provided in this Agreement. This clause shall prevail over any provision to the contrary of the Agreement, whether express or implied.

## **ARTICLE 10**

- 10.1. This Agreement comprises these executed terms, and the following annexes, which are an integral part thereof:

Annex 1 – The Services

Annex 2 – Procedures for the cooperation in designing and monitoring the delivery of the Services

In case of conflict between the provisions of these executed terms and those of any Annex, these executed terms shall take precedence.

- 10.2. The Parties agree not to make this Agreement, or any part thereof, public in any way without the prior written consent of the other Parties, which shall also specify any terms or conditions under which such consent is given.

- 10.3. References to a public organisation will include its successors, and if a public organisation ceases to exist or ceases to perform its functions without a successor, references to such public organisation will be deemed to include a reference to any public organisation or any organisation or entity which has taken over either or both the functions and responsibilities of such public organisation.
- 10.4. References containing terms such as "includes" and "including", whether or not used with the words "without limitation" or "but not limited to", will not be deemed limited by the specific enumeration of items but will, in all cases, be deemed to be without limitation and construed and interpreted to mean "includes without limitation" and "including without limitation".
- 10.5. General words introduced or followed by the word "other" or "including" or "such as" or "in particular" will not be given a restrictive meaning because they are followed or preceded (as the case may be) by particular examples intended to fall within the meaning of the general words.
- 10.6. Unless the context otherwise requires, wherever used herein the plural includes the singular, the singular includes the plural, and each gender include all other genders.

## ANNEX 1 – THE SERVICES

### **A. Background**

---

In 2016, as part of the European Union response to the challenges posed by forced displacement and migration, the EIB launched the Economic Resilience Initiative (the “ERI”), whereby the EIB increased and expanded the scope of its funding available for investments in the countries in the southern neighbourhood of the European Union and in the Western Balkans, with a view to improving the capacity of the economies of the beneficiary countries to absorb and respond to crises and shocks. To complement the ERI, the EIB has approved in 2017 a financial envelope dedicated to technical assistance and advisory services in support of project origination, preparation, and implementation (the “Financing Document”).

On 2<sup>nd</sup> September 2019, the EIB Board approved the financing of MONTENEGRO EDUCATION PROGRAMME (the “Project”) for an amount of EUR 18m. On 6 November 2019, a finance contract was signed between Montenegro and the EIB.

In connection with the Project, the Guidance Group of the ERI approved on [DATE] the request of the EIB to use ERI resources, up to maximum amount of EUR 2,900,000, to finance the cost of Services needed for procurement and implementation support to the Promoter and Administration.

### **B. Description of the Project supported by the Services**

---

The Project aims at increasing access to children to good quality early childhood care and education in pre-primary institutions and improve learning conditions of students in primary and general and vocational secondary schools. By upgrading service delivery and facilities in vocational education, the Project also contributes to improve youth employability. Without the Project, the expansion and improvement of education services in Montenegro would be slower, many of those needing education services would not have access to them and the impact would be less than with the quality improvements that will result from the Project.

The Project involves the construction and/or renovation of public education infrastructure including kindergartens, elementary (primary) schools, gymnasium (secondary) schools and vocational education schools. The Project also includes provision of new ICT equipment and furniture for schools and specific equipment for vocational schools.

### **C. Description of the Services**

---

#### **1. The Services**

##### **Overall objective**

The overall objective of the assignment is to support the Ministry of Education to implement successfully the EIB financed Montenegro Education Programme project.

This assignment forms a crucial part of the implementation of the Project. The selected Consultant will be providing procurement support, procurement preparation services, technical assistance and advice to the Ministry of Education and to the Public Works Administrations, the two principal contracting authorities for the various contracts enabling the design and construction of the new education facilities. Furthermore, there will be contracts for the supply of furniture and equipment.

Complementing the procurement services, the Consultant will provide contract administrative support primarily to the Ministry of Education during the execution of the contracts. It should be noted that this role is an administrative one; monitoring progress, attending progress meetings and supporting primarily the Ministry of Education as the overall promoter of the Project.

##### **Specific activities**

The Consultant will be required to perform the tasks as detailed in the table below. The tasks of the Consultant can be summarised as follows:

- Provide procurement support – including technical assistance and advice – and capacity by supporting the Promoter in the preparation of procurement related documents including a review of procurement procedures, creation of a procurement procedures manual, tender documents, procurement notices, observing and recording the evaluation committee and contract document packages as well as supporting the Ministry of Education (as Promoter) to submit these documents for review by the EIB following the timely approval by the respective Montenegrin contracting authority. Procurement documentation must meet the satisfaction of the Promoter and of the EIB<sup>1</sup> and if notified any other international financing institution. Training on the EIB procurement process requirements will be provided to the Consultant.
- Provide contract administration support and capacity by monitoring the progress of physical implementation and financial progress, attending progress meetings with the procured design consultant, supplier and/or contractor as required on behalf of the Promoter, ensuring timely completion of tasks and payments are made on fulfilment of any required milestones, activities or approved documentation. The Consultant shall also provide support and capacity to review existing project delivery procedures from conception and design through to construction and management, creation of project delivery manual, analyse, assess, collect and coordinate documentation for additional works claims and contract modifications for decision making by the relevant contracting authority. This is not a construction supervision role for works contracts. The quality and control of construction works will be carried out under a different consultancy service;
- Provide administrative support for specific tasks as required from time to time from the Ministry of Education (eg. in preparing grant requests for specific investment or technical assistance);
- Review and set-up a monitoring and evaluation framework system for education related data on students benefitting from the Project's activities. The intention is to set-up a system that can be extended and sustained to cover all of the country's education system in the future. A separate inception report for this task will be required; and
- Provide regular progress reporting of the overall implementation and completion of the Project to the EIB in accordance with the conditions of the finance contract.

## **2. Beneficiary entities**

The beneficiaries of the Services described above are:

The target beneficiaries are young people aged between 3 and 18 years old covering the pre-primary, primary and secondary education levels in Montenegro. ## **ANNEX 2 – PROCEDURES FOR COOPERATION IN DESIGNING AND MONITORING THE DELIVERY OF THE SERVICES**

This annex provides the guidance under which the Parties agree to operate in the design, procurement, monitoring and approval of the services.

### **1. General cooperation Principles**

Pursuant to Article 2.5 of the Agreement, the Promoter will facilitate communication and cooperation between the relevant competent authorities in Montenegro as may be necessary for the successful design and delivery of the Services.

For project coordination, technical consensus and follow-up on the progress, a project steering committee will be formed from representatives of all stakeholders in addition to representatives from the Promoter and the EIB. The main role of this committee is to provide the Consultant with all available relevant data from the different stakeholders, follow-up on the progress of the assignment, steer and facilitate the assignment to enable the Consultant to deliver the Services successfully within the agreed time schedule.

### **2. Design and Procurement of the Services**

#### **2.1. Design of the Services**

The Parties will cooperate in designing the terms of reference for the Services, setting out the objectives, scope and methods of delivery of the Services. To the extent that the Services are to be delivered under separate Contracts, separate sets of technical specifications will have to be prepared and agreed by the Parties. Such technical specifications shall become a part of the *Terms of Reference* to be included by the EIB in the procurement documentation to be used for the selection of the Consultant.

Once the *Terms of Reference* are finalised, the Promoter will provide its written acceptance of the final form of the *Terms of Reference* by email at operational level. By providing such acceptance, the Promoter will acknowledge that said *Terms of Reference* fully reflect and respond to the needs identified, and that the Promoter accepts them without reservation. Such acceptance will not be unreasonably withheld and will be deemed to have been given if not expressly refused within ten calendar days from receiving a written request in this regard from the EIB.

On the basis of the *Terms of Reference* developed and agreed as described above, the EIB will launch the tender and select the Consultant for the delivery of the Services in accordance with its own procurement policies, rules and procedures. The Promoter acknowledges that, as procuring entity for the Contract, the EIB might need to amend or interpret the *Terms of Reference* during the procurement procedure, provided that any such alteration or interpretation, where it concerns the scope, content, sequence or duration of the Services, is agreed with the Promoter before the EIB communicates it to candidates or tenderers.

In order to avoid the risk of non-compliance with the principles of procurement (transparency, proportionality, equal treatment, non-discrimination and avoidance of conflict of interest) the Promoter and the Administration undertake not to disclose, (i) until the award of the Contract by the EIB, the *Terms of Reference* or any additional information in connection to the *Terms of Reference* except to those persons who need to know for the purposes specified in the preceding paragraph, and (ii) after the award of the Contract by the EIB only with the prior written approval of the EIB and under the terms thus agreed.

#### **2.2. Procurement of the Services**

The Promoter has the right to designate a representative, as observer or voting member, in the evaluation committee established by the EIB for the selection of the Consultant. The role of the representative of the Promoter in such evaluation committees is decided by the EIB, in accordance with its internal rules and procedures, and will be timely communicated to the Promoter. The Promoter shall bear all costs related to the participation of its representative in said evaluation committees.

In relation to the preceding, the proceedings of the evaluation committee, from the opening of tenders to the conclusion of the work of the evaluation committee, are confidential. No information about the examination, clarification, or evaluation of tenders, and no decisions about the award of the Contract may be disclosed by any participant in the evaluation committee before the evaluation report is approved by the EIB. Any disclosure of such information after the approval of the evaluation report by the EIB will only be made by the EIB, in accordance with its internal rules and procedures, or with the prior written agreement of the EIB. In addition, the bidding documents shall remain within the premises of the EIB at all times.

If the Promoter does not designate a representative in the evaluation committee established by the EIB for the selection of the Consultant, the EIB will inform the Promoter of the outcome of the tender procedure as soon as it accepts the recommendation of the evaluation committee on the award of the Contract.

### **3. Monitoring of the Services**

The Promoter, the Administration and the EIB will cooperate closely in monitoring the delivery of the Services by the Consultant.

The Promoter will review the deliverables and the activity reports (if and as requested in the *Terms of Reference*) submitted by the Consultant and will provide by e-mail to the EIB with its written comments or acceptance of such deliverables or reports, including when necessary its reasons for refusing such acceptance. The Promoter's acceptance of the relevant deliverable or report will be deemed to be given if not expressly refused within 15 calendar days from receiving a written request in this regard from the EIB.

As specified in Article 2.6 of the Agreement, the EIB will take due account of the Promoter's opinion when it makes its own decision on the approval of the deliverables and reports produced by the Consultant as against the terms of the Contract. Having regard to the contractual obligations of the EIB towards the Consultant under the Contract, the Promoter acknowledges that the final decision on the approval of the deliverables and reports produced by the Consultant as having been delivered in compliance with the Contract rests with the EIB.

Considering the provisions of Article 2.4 of the Agreement, an approval of the Services (or any part thereof, including any deliverable or activity report) by the EIB as having been delivered in accordance with the terms of the Contract shall be without prejudice to the right of the Promoter to refuse such deliverable as not responding to its specific needs. The Promoter must communicate such refusal to the EIB in writing indicating the reasons thereof. Further, the Promoter undertakes that it shall not make any use of such deliverable, and, upon written request from the EIB, return or destroy any copies of the deliverable, in whatever form, as are in its possession and ensure that any copies of the deliverable that may be in the possession of other entities are also destroyed.

For the sake of clarity, a decision of the EIB to accept, pursuant to Article 2.6(ii), that the Services delivered by the Consultant as having been delivered in accordance with the terms of the Contract is not, and shall not be construed as, superseding or overriding a rejection of same Services by the Promoter as not responding to the Promoter's needs or not being fit for the purpose the Promoter intends to make thereof, as the assessment of the Services by the EIB and by the Promoter, respectively, are made against different criteria.

If required by the EIB, the Promoter will review the timesheets recording the days or hours worked by a Consultant's experts on site in Montenegro, and shall confirm their accuracy by countersigning them. The Promoter has the right to refuse the acceptance of timesheets submitted by one or more of the experts employed by the Consultant for the delivery of the Services, if the timesheet does not reflect correctly the days or hours worked by such expert for the delivery of the Services, or if, in the reasoned opinion of the Promoter, the quality of the services provided by the expert concerned does not conform to the requirements of the *Terms of Reference*, or, if applicable, to the professional standards expected in the relevant industry from an expert provider of such services.

The Promoter shall communicate to the EIB its decision on the acceptance of any timesheet, including when necessary its reasons for refusing such acceptance. The Promoter's acceptance of the relevant timesheet shall be deemed to be given if not expressly refused within 15 calendar days from receiving a request in this regard from the EIB.

#### **4. Amendments to the Services and changes to the Consultant's personnel**

The Promoter may request amendments to the design of the Services during the execution of the Contract. Such request will be communicated to the EIB, together with a justification for the amendments requested, at least 30 calendar days prior to the intended date of application of such amendments. The EIB has the right to oppose such amendments, in particular for reasons related to applicable procurement and contract management rules, and will inform the Promoter of the reasons for such refusal.

The Promoter has the right to be consulted on and agree to any material amendments to the design of the Services which the EIB or the Consultant may envisage during the execution of the Contract. The consent of the Promoter to any such amendments will be deemed to be given if not expressly refused within 15 calendar days from receiving the communication from the EIB on the proposed amendments. If applicable, the Promoter will inform the EIB of the reasons for its refusal.

The Promoter has the right to be consulted on and agree to any changes to the team of experts provided by the Consultant, as these are defined in the *Terms of Reference*, which the EIB or the Consultant envisage during the execution of the Contract. The consent of the Promoter to any such changes will be deemed to be given if not expressly refused within 15 calendar days from receiving the communication from the Consultant or the EIB on the proposed changes. If applicable, the Promoter will inform the EIB of the reasons for its refusal.

At any time during the execution of the Contract, the Promoter may request the replacement of one or more of the experts provided by the Consultant to the extent that it is justified on reasonable grounds. Such request must be communicated to the EIB together with the justification for the changes requested. The EIB may oppose such amendments, in particular for reasons related to applicable procurement and contract management rules, and will inform the Promoter of the reasons for such refusal.

As contractual counterparty to the Consultant under the Contract and considering any applicable provisions of the Financing Document, the EIB retains the final decision on the execution of any amendment to the Contract.
