CATEGORY	MEASURE	DETAILED EXPLANATION
Civil engineering	Observance of separate measures in the civil engineering	<p>Obligation of legal entities and natural persons carrying out civil engineering works, i.e. execution of individual works to organize their work in such a way that:</p> <ul style="list-style-type: none"> <li>- They provide <b>observance of epidemiological measures, especially observing the social distance between the employees and other measures of occupational health and safety;</b></li> <li>- Place on a visible place on the construction site <b>the notification of the prescribed temporary measures of prevention and suppressing a new coronavirus -COVID19;</b></li> <li>- Ban to all employees carrying out construction works on the construction site <b>to leave the construction site for the purposes of supplying groceries, etc. during the working hours;</b></li> <li>- <b>Deliver food to the employees</b> executing construction works on the construction site;</li> <li>- During the organized transportation of employees from and to the construction site (bus or van) <b>to arrange the employees in a way that their physical distance is provided.</b></li> </ul>

#### Recommendations

CATEGORY	RECOMMENDATION	DETAILED EXPLANATION
Companies and entrepreneurs	Remote work	<p>State authorities, state administration authorities, local self-government authorities and local administration, companies, public institutions and other legal entities, entrepreneurs and natural persons carrying out certain activities, <b>to be enabled to do their work from home</b>, then provide the <b>sliding working hours</b> or otherwise <b>reduce the communication of employees</b>. This measure refers to the job positions where the work process allows that.</p> <p>Likewise, <b>job positions in which activities can be carried out from home should be defined</b>. Then identify persons who, due to their health status or other circumstances should not be exposed to the <b>risk of the disease and allow them to do their jobs like that</b>. Find the best means of <b>communication between the employees</b> doing their jobs from home and persons in their job positions, as well as the means of <b>holding the meetings</b> for the purposes of executing jobs within the framework of their competences and activities (by telephone, online, etc.)</p>
Personal/general recommendations	Recommendations for elderly-retired persons	Use morning hours for the food products supply, shopping and other activities requiring their stay in public spaces.
