**AGREEMENT
BETWEEN
THE GOVERNMENT OF MONTENEGRO
AND
THE GOVERNMENT OF THE REPUBLIC OF AZERBAIJAN
ON COOPERATION IN THE FIELD OF ENVIRONMENT PROTECTION**

The Government of Montenegro and the Government of the Republic of Azerbaijan hereinafter referred to as "the Parties",

Acknowledging the improvement of mutual efforts and development of cooperation in the field of environmental pollution prevention and environmental protection,

Recognizing the rights and obligations of each country to protect environment and nature and ensure rational use of natural resources,

Aware of the responsibility to ensure environmental safety for the present and future generations,

Led by the widely accepted norms of the international law and international agreements concluded by the Parties in the areas that are subject to this Agreement,

Convinced that long term cooperation is an important factor for further development of friendly relations between the Parties,

Have agreed as follows:

Article 1

The Parties shall develop and extend mutual cooperation in the field of environmental protection in the interests of the both states, as well as promote further development of economic, scientific and technical contacts, in order to solve global and regional ecological problems.

Article 2

Cooperation of the Parties in the field of environmental protection shall be carried out within the framework of their respective national laws and taking into account their international obligations in the following areas:

- a) Implementation of relevant projects to prepare and improve criteria and indicators for sustainable and rational forest management;
- b) Protection of forests, combating forest fires (emergency response), and prevention of forest fires by various means including remote sensing technologies;
- c) Conservation of biodiversity;
- d) Protection of international waters;
- e) Waste management;
- f) Water protection from pollution and exhaustion;

g) Adaptation to climate change.

The Parties may also agree on other areas of cooperation.

Article 3

Cooperation in the field of environmental protection shall be carried out by mutual consent of the Parties in the following forms:
